Hidden away in the pristine Lhaviyani Atoll and just 35 minutes by seaplane from Malé, this five-star premium all-inclusive retreat redefines the art of connection- with nature, with others, and with oneself.

You may have heard of its underwater restaurant or overwater villas, but here are 10 lesser-known things that make Meyyafushi a game-changer in Maldivian hospitality:

1. It's Home to Maldives' First Overwater Padel Tennis Court

Rising above the turquoise lagoon, this innovative court invites guests to play a high-energy match with the Indian Ocean as their backdrop. A first for Maldives.

2. Each Villa has a Private Pool

From one-bedroom beachfront escapes to the sprawling four-bedroom Presidential Suite, every accommodation includes a private pool - no upgrade necessary.

3. The Presidential Overwater Suite has its own Cinema and Waterslide

A four-bedroom marvel boasting panoramic ocean views, private spa treatment room, infinity pool, cinema, and even a slide into the sea.

4. The Resort Offers Complimentary Massages - Based on Length of Stay

Wellness is embedded in the guest experience - with the longer you stay, the more pampered you become.

5. 'Bubble' is an Underwater Dining Experience Unlike Any Other

Dine beneath the sea at this exclusive venue, where gourmet cuisine meets superlative views of the reef.

6. The Sky Bar Features a Glass-Bottom Pool

This adults-only rooftop retreat offers sunken seating, chic cocktails, and a surreal glass-bottom pool with views of the reef below.

7. The Kids Club has a Mini Skate Ramp and Climbing Wall

'Kokko' isn't your average Kids Club — it's a multi-zone wonderland designed to inspire creativity, exploration, and play.

8. Guests Staying 4 Nights or More Enjoy Free Excursions

Dolphin cruises, snorkelling adventures, and sunset sails are complimentary for longer stays — because every extra night unlocks more magic.

9. There Are 10 Distinct Food & Beverage Options
